

Inyo Council for the Arts
Memorial Day Arts and Crafts Show
COVID 19 Guidelines

Per State of California mandate, **all members of the public and all workers are required to wear facemasks**. ICA will provide each vendor with 5-10 facemasks for customers that may not have them. Retail sellers are required to ensure all customers wear a facemask.

When a facemask is required:

- Interacting in-person with any member of the public.
- Working in any space visited by members of the public, regardless of whether anyone from the public is present at the time.
- Working in any space where food is prepared or packaged for sale or distribution to others.

Per state and local health orders, if a worker or member of the public cannot wear a face covering due to a medical condition, a non-restrictive alternative such as a face shield with a drape attached to the bottom edge is allowed if the medical condition permits it. Vendors should develop a plan for handling medical exemptions, including accommodations such as curbside delivery.

Vendor and Artists

We ask that you please:

- Practice physical distancing with fellow vendors, and customers.
- Mark out 6' of distance using visual cues. We will provide highly visible marking paint.
- Disinfect high traffic communal areas at least every hour.
- Wash hands frequently and as activities warrant.

Do not come to the show if you are exhibiting any of the following symptoms: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, or diarrhea, OR if a worker was diagnosed with COVID-19 and has not yet been released from isolation, OR if, within the past 14 days, a worker has had contact with someone who has been diagnosed with COVID-19 and is considered potentially infectious (i.e. still in isolation). All vendors and their staff should perform daily self-screening, including temperature or symptom checks using CDC guidelines.
