The staff and volunteers at Inyo Council for the Arts are excited that you'll be joining us for the 30th annual Millpond Music Festival!

The following guidelines are meant to ensure that everyone has a positive festival experience. The Millpond team works hard to make the festival great! Please do your part by respecting the following guidelines:

- **No pets are allowed on the festival grounds** with the exception of Service Animals as defined by the ADA. Pets are allowed in the **Brown's campground only**.
- Everyone must display an appropriate wristband at all times during the festival. Wear the wristband on your left wrist.
- Main stage seating is separated into two areas, with the space nearest the stage reserved for chairs with low seats, no more than 10 inches off the ground. Umbrellas and shade structures are allowed in designated areas only.
- Please remove all personal items from the main stage area at the end of each evening.
- Keep your valuables with you or in a locked vehicle at all times. Immediately report any suspicious activity to Millpond security staff or volunteers, who will assist in notifying law enforcement as needed. Inyo Council for the Arts is not responsible for any lost or stolen items.
- Once again, Keep campfires in designated areas only. Don't leave hot coals on the ground. **Please be fire safe!**

Millpond Checklist - Don't forget!

- **Your Millpond Tickets and Camping Tags**
- Weather at the festival can be unpredictable. In general we anticipate warm days and cool nights, but **please come prepared with clothing that can withstand whatever the elements throw our way, including the possibility of smoke.**
- **Sunscreen**, sunglasses, hats, and bug repellent are recommended. Please remember to **stay hydrated** throughout the weekend, especially if you are not used to the dry, high-desert heat.
- Frisbees, Hula Hoops, and Hacky Sacks are fun outdoor activities. Please keep them at a safe distance from crowds.
- Bring swimming gear and towels if you want to swim in the pond!
- We will have medical staff on site during the hours of approx. 6-10pm Friday, 10am-10pm Saturday, and 9am-7pm Sunday. **We encourage all festival goers to bring a first aid kit.**

For Campers:

- All campsites at Millpond have accessible restroom facilities and porta-potties. Shower tokens can be purchased at Brown's Campground. There are food vendors on site. **Please come prepared with all other necessities for camping throughout the weekend.** This may include a shade tent (shade is sparse in some of our campsites), a camp stove (above ground only), folding chairs, lantern/flashlight/headlamp. Camping essentials are not available on site, however, the town of Bishop is a short drive from the festival.
- For tent campers, **please come prepared for any type of weather during the festival.** While we usually see mildly cool nights and calm weather, we've also had heavy winds, rain, and chilly nights in past years.
- **Jamming is encouraged in the campsites.** We love that you keep the music going into the night! We do ask that you please be considerate of your neighbors who may be trying to sleep. Light sleepers, and those not inclined to jam into the night, may consider bringing earplugs.
