Labor Day Weekend Arts & Crafts Show
Friday, Saturday, Sunday & Monday
September 1-4, 2023

This four-day show of handcrafted arts and crafts is held annually at the Bishop City Park. Bishop is located at the eastern edge of the beautiful Sierra Nevada on Highway 395, about 270 miles north of Los Angeles, and 203 miles south of Reno, Nevada. This show runs in conjunction with the annual Tri-County Fair and draws an estimated 5,000 people to the area. The lovely creek-side park attracts many visitors and keeps shoppers lingering at our shows.

Please carefully review all information provided.

Electricity is not available at your booth, with the exception of a few food vendors.

If you are a new applicant or your booth configuration/product has changed significantly, please send in at least two photos of your work with your application. Also, enclose your R.V. space request (if required), payment for booth space, and the Release of Liability form.

If you fail to meet these requirements, or to complete legibly all of the forms, your application will be returned. A checklist is provided.

Any food items must meet the criteria of the Inyo County Health Department. If your edibles are packaged, they *must* be labeled with weight, identification of contents, and names of licensed producers. Vendors will be subject to County inspection. ***Please note, food vendors must fill out a separate application directly with the Inyo County Environmental Health Office for a temporary food license. The application and guidelines can be found on their website www.inyocounty.us/environmentalhealth*** For more information, contact the *Inyo County Environmental Health Office* at 1360 N. Main St, Bishop, CA 93514 or call 760-873-7866.

The selection committee will notify you of your entry approval, but a deposited check or credit card charge is a sign of acceptance. In the event your application has not been accepted, your check will be returned or your credit card will not be charged. Booth assignment and R.V. passes are provided upon approval of participation.

CRITERIA FOR ENTRIES: Items displayed and for sale ***must*** be 75% handcrafted by the vendor. Any market or mass-produced items are unacceptable and may not be sold at this show. The spirit of this show is that you are selling arts and crafts made by yourself.

SET UP TIME: This outdoor show is held in the Bishop City Park, on the north end of Main Street (Hwy 395) in Bishop. We ask that vendors not drive on the grass while setting up. You may drive as close as possible to your space on the service road, unload, and move your car to a parking area before setting up your booth. (We will include a park map with your acceptance letter.)

Hours will be:

Thursday (Set-up)	Set-up <u>after ALL spaces are marked</u> , approximately 2:00 p.m.

REFUNDS: Cancellations through August 15th of the current show year will be refunded, minus a \$50 cancellation/processing fee. *No refunds will be made on accepted and processed applications after August 15th.*

LODGING: A list of motels and local campsites is available at www.bishopvisitor.com or by phoning the Bishop Chamber of Commerce: 760-873-8405. A limited number of RV/trailer spaces, which have no hook-ups, will be available behind the park for a fee of \$50.00 for the five-day period (Thursday, Friday, Saturday, Sunday and Monday nights). Please see attached RV and Trailer Parking Application. No tent camping.

SPECIAL EMPHASIS: Giving on-site demonstrations of your skills is encouraged. Showing people the process of your craft helps them to develop a deeper appreciation for the arts and for the artists who are exhibiting. It also has been shown to improve sales.

BOOTH LOCATION: ***Inyo Council for the Arts cannot guarantee requested booth locations, except for crafters who request their previous year booth space and submit their application and payment by July 1.*** Every effort will be made to assign booth locations as requested. In general, spaces are assigned as applications come in, so earlier requests are more likely to be successful in procuring a specific site.
