Dear Food Vendor,

We would like to invite you to participate in the 2024 Millpond Music Festival. This is an outdoor festival held annually at the Millpond Recreation area, approximately five miles north of Bishop, CA, just off Highway 395. The 2024 festival will be September 20th through 22nd.

Participants must supply their own display. Booth fees will be based on a commission rate of 15% of gross sales, to be paid by check (payable to ICA) or cash. We will provide you with an envelope for the fees, which must be given to an ICA staff person (to be specified) at the end of the festival. We do not require cash register receipts; we trust our vendors to be honest and to pay the agreed upon fees. ICA is a non-profit community-based organization that works to bring quality arts programs to our community, including our schools. Fees paid by vendors help us to fulfill our mission – thank you!

Applications are **due by August 1st** and decisions will be made by August 4th.

Food vendors must provide a certificate of liability insurance to ICA with their application. Please note, **food vendors must fill out a *separate* application directly with the Inyo County Environmental Health Office for a temporary food license. This application must be submitted to the Environmental Health Office at least thirty (30) days prior to the festival.** The application and guidelines can be found on our new website. Please comply with all requirements of the Inyo County Environmental Health Department. The county inspector will visit your booth before and during the show.

We would greatly appreciate if you could provide us with 15 comped menu items. While we provide backstage hospitality, we do not serve for as many hours as the food vendors, and sometimes our food is not ready before/after our artists perform on stage. We will prepare and provide the 15 tickets.

All booths are required to be set up by 5 p.m. on Friday, September 20th. Other than that, we don't have set operating times for vendors for this event – we suggest playing it by ear each day. Each participant is responsible for the safety, protection and insurance of their own equipment. We do not guarantee protection against theft.

Please remember that **no dogs** are allowed in Millpond County Park.

We look forward to hearing from you. If you have any questions, call us at (760) 873-8014.
